

JAMII CENTRE

Tanzania Posts Corporation has launched a new solution branded as 'JAMII CENTRE' that conveniently accesses various public services from a single location to customers with diverse needs. The centre located at the ever busy Dar es Salaam General Post Office aims at transforming public service delivery processes in the country through integrated technology platform.

So far the centre is currently offering payment platform for multi-agency services including pensions for NSSF, dividends and royalties for Swissport, Tanga and Twiga Cement Companies, registration of candidates for NECTA, banking facility for CRDB, Moneygram, road licences, mobile airtime, bills for TANESCO, insurance for NIC and Britam, as well as Postal services.

Customers get various services from JAMII CENTRE at Dar es Salaam General Post Office as you can see above. Tanzania Posts Corporation is in the process of adding more services provided by the Centre, including payments for RITA, NHIF, CHF, NIDA, TRA, DSE and all other Social Security funds.
